## CONGRATULATIONS

Congratulations to **Rachelle Magaram (Khrapunovich)** and **Viet Nguyen**, both Vivacity School of Chess students, for their recent chess-competition successes.

Rachelle, an 8th-grade Beachwood Middle School student, tied for the third place in the Championship Section of the 2012 Ohio K-12 Grade Girls Championship. On a tie-break, she was awarded fifth place, and is now in the top 20 for girls in Ohio according to the United States Chess Federation ratings.

Viet, a 3rd-grade Hilltop Elementary School student, won all five matches and tied for first at the 2012 Worthington Chess Challenge. On a tie-break, he was awarded third place.

Vivacity School of Chess is for students who seek high quality and measurable results. For more information, visit [www.vivacityinc.com/chess](http://www.vivacityinc.com/chess).

We all have something we enjoy. Something we're good at. Or want to be better at. But surgery, injury or illness can put that activity out of reach.

But at Montefiore and The Weils, you have an entire team of people on your side – doctors, nurses and rehab therapy professionals – who will help you get back to living your life.

The latest advances in physical, occupational and speech therapies mean the best treatment options, customized just for you. You'll get stronger, better, ready to go home.

*Two great rehab choices, one great reputation.*

If you or a loved one needs post-hospital care, call now for a personal tour.
